CONFIDENTIAL
SUBJECT TO RULE 408

Dear Dave,

Thank you for providing your proposed revisions to the source code addendum. Although your revisions are more substantial than we interpret the Court's September 18 order to contemplate, we will carefully consider them and confer with MRI. In view of the fact that you and I will both be out of the office tomorrow and the following day, and the Court has requested a report by October 2, we propose to file the attached joint report today. Please let me know if we have your consent to file the attached.

With respect to the services agreement, it is apparent from your most recent draft that there is still not an agreement as to several material terms, including the fees. We will provide a draft containing MRI's last and final offer later, most likely, later today. If we have an agreement, then MRI would be willing to so inform the Court.

Regards,

Georgia
